

Lesson Plan (1 hour): Sun Sook Jang

Title: **Kimchi Day!**

Class: World Language / Korean

Learning Objective:

1. Understand Korea's Kimchi Culture
2. Learn differences of these terms as well as Kimchi, Kimjang and Kimchi Day

Topics Addressed:

Kimchi; how to make Kimchi; what is Kimjang; the history of Kimjang; how Korean people maintain this culture in their daily lives and in the U.S.

Materials Needed:

Coloring paper, recipe paper
Coloring pencil, crayon, marker.

Procedure

Lesson Step	Student Action	Teacher Action	Time Period
Introduction	share what they know about Korean foods	provide basic information about Korean foods	10min
Direct Instruction	listen, watch, take a note	show video on Kimchi-making Kimjang	10min
Guided Practice	encourage their curiosity on video about Kimchi	explain Kimchi culture and Kimchi Day	10min
Independent Practice	practice words and create Kimchi recipe	give the practice paper and creative paper	20min
Closure	share impression and ideas about Kimchi	remind to finish artwork (coloring & recipe)	10min

Assessment:

1. students are instructed to finish their artwork (coloring paper for K-2, create own recipe catalog for 3-8)
2. students are guided to practice new Korean vocabularies about Kimchi and Kimjang

Reflection:

Students can understand other county (Korea)'s food culture. In addition, they can compare their own food with South Korea's Kimchi culture. In the end, this lesson plan can serve as a valuable opportunity to enhance students' understanding of cultural difference and help them enjoy Korean food with a fresh eye. This lesson plan can facilitate student's learning of important words related to Kimchi.
